

Archie's Trail

Follow Archie around Wellington and see if you can discover Archie's hidden message. He will be hiding in windows.

1. Bringing hope through Angels, you may have been here for a celebration.

2. It's full of wonderful delights and I can always find the best china here.

3. I love having a cream tea from this place, there's a hidden gem of a garden!

4. I might visit this place on the High Street for some sweets & maybe a milkshake.

5. You will find lots of beautiful items from lots of small businesses down North Street.

6. I'm not far from the fire station, a perfect place for a pooch to be pampered.

7. I enjoy a stroll through Wellington park on a sunny day, I'm near to the big tree that we can hide under.

8. If I need a nice relaxing massage, South Street is the place to go, you may find some pretty crystals in the window.

9. Fancy a new hairdo after the massage, I know just the place, it's named after the owner.
10. Brighten up your home with a bouquet of flowers, I am hidden in an alley, but if you have got to the bike shop, you've gone too far.
11. A church on Waterloo Rd, you might pass me on your way to the Sports Centre.
12. Supplying Wellington with the best cuts of meat! Sometimes I grab a baguette for my lunch.
13. When I'm doing a DIY project for my house I go here on Fore Street, they're always very helpful.
14. There's 3 C's in the name, a family run business that are passionate about flooring.
15. A busy convenience shop, that stocks all you might need, in Tonedale.
16. This is where I get to meet all my friends and enjoy a day of activities & reminiscing!

Don't forget to bring your completed forms and meet Archie on the 4th June to collect a small lucky dip prize!
